Evidence could include the number of deals closed, creation of new business opportunities and how they have met their business plan objectives during the 12 months of 2020. Alternative measures could include investment in sustainable approaches to business or adoption of creative ways which encourage growth and loyalty amongst employees. All submissions should reflect the scope and depth of your successes in Oxfordshire, using references from clients and other supporting evidence to help provide information for the Judges. Having an office in Oxfordshire is not essential for this award.
