# Award for Most Innovative and Sustainable Initiative of the Year

### ABOUT THIS AWARD

Oxfordshire is seen as a location for fast growth businesses which explore the world of innovation and collaboration. Bicester Motion is very much part of this world and we want to identify an idea, product, service or person which reflects this spirit of innovation and brings a warm feeling to the market after the carnage caused by COVID-19. This award does not have to be rooted in property but does need to show ambition and a connection to the unique benefits of doing business in Oxfordshire.

### HOW TO ENTER

Evidence can be financial/numerical, including past award's or just your own carefully crafted words. However, it must all be wrapped up in a short document (two pages A4 text max, excluding images and supporting photos) with supporting hi-res photos, a hi-res logo (jpeg or eps) or video. You can nominate yourself and others.
